

Terms and Conditions for Rabobank Call Deposits and Term Deposits

June 2017

These terms and conditions apply to Rabobank Call Deposits and Term Deposits ('Terms'). We advise that you read and consider all of the Terms before deciding whether to acquire or hold Rabobank Call Deposits or Term Deposits.

Rabobank

Records

- 1.1 The Account Owner(s) (hereinafter referred to as the 'Depositor(s)' or 'you') must ensure that all information, including personal information, given to Rabobank is accurate and up-to-date at all times. You must promptly notify Rabobank of a change, including personal information, to any information held about the Depositor(s) in relation to any Call Deposit or Term Deposit ("Deposit") as soon as possible.
- 1.2 Account statements, notices, and other communications with you may be sent to you by letter to your nominated postal address, electronically by email to your nominated email address, by notice on our Website or electronically via electronic secure messages.
- 1.3 You may vary your nominated postal or email address by giving notice to Rabobank by contacting the Client Services Unit on 1800 632 113.
- 1.4 Even if we normally provide electronic notices or statements, Rabobank reserves the right to send paper ones instead to your nominated postal address (e.g. if, for any reason, we are not able to provide them electronically or we cancel your election to receive statements or notices electronically because we are unable to deliver emails to your nominated email address).
- 1.5 Service of notices and statements sent by post is taken to be effected, upon the earliest of actual receipt, the day when the addressee would have received the item in the ordinary course of post, or 10 days after posting.
- 1.6 Service of notices and statements sent by facsimile is taken to be effected the time when the machine from which it was sent indicated that it was sent successfully.
- 1.7 Service of notices and statements electronically by email is taken to be received on the day that the email enters the information system of your internet service provider or the host of your email address.

Investment Range

- 2.1 The minimum initial deposit must be \$5,000.
- 2.2 Investments must be in Australian currency but not in cash.

Confirmation of Deposits

- 3.1 Rabobank will confirm in writing, either electronically by sending an email to your nominated email address or by letter to your nominated postal address, its acceptance of an application and will include details of the date of acceptance, amount invested, interest rate, interest payment frequency and maturity date as applicable.

Joint Depositors

- 4.1 Each joint Deposit is held jointly by all joint Depositors. This means that each Depositor has the right to all of the balance, jointly with the other joint Depositors, and each Depositor is individually and jointly liable to Rabobank in relation to a Deposit. Each joint Depositor may operate a Deposit individually.
- 4.2 Joint Depositors must tell Rabobank how operations on the joint Deposit are allowed, including instructions about persons allowed to deal with Rabobank in respect of the Deposit, and how funds may be withdrawn from the joint Deposit. Depositors can change these instructions by giving Rabobank notice in writing.
- 4.3 Where a joint Depositor dies, the surviving Depositor(s) will own the Deposit.
- 4.4 Joint Depositors are jointly and severally liable for all amounts and obligations owing to Rabobank.
- 4.5 If Rabobank is aware of any dispute relating to a joint Deposit, it may decide to permit operations on the joint Account only if all joint Depositors authorise such operations.

Authority to Operate

- 5.1 An Authorised Signatory is nominated by, and ceases on receipt of, written instructions signed by (all) the Depositor(s). This authority also ceases on death of the Authorised Signatory. However, on receipt of written instructions signed by (all) the Depositor(s), the Depositor or a properly authorised broker/intermediary may supply to Rabobank a list of persons from time to time, along with their specimen signatures, who will be Authorised Signatories.

- 5.2 An Authorised Signatory may give instructions individually in connection with the Deposit as if they were a Depositor, including:
 - (a) making withdrawals;
 - (b) in relation to how matured funds should be dealt with; and
 - (c) in relation to reinvested funds (except that they may not nominate another Authorised Signatory).

- 5.3 The Depositor(s) will be responsible for the Authorised Signatory(ies) receipt of and compliance with the terms and conditions of the Deposit, including the Privacy Consent and Consent to Receive Electronic Communications.

Cleared Funds

- 6.1 Proceeds of cheques are not available until cleared. Clearance usually takes three Business Days.

Instructions

- 7.1 Rabobank may act on telephone instructions but only in relation to TFN/ Exemption/ABN quotation, withdrawals of Call Deposits to a Nominated Account, maturity of Term Deposits and the opening of a new Call Deposit or Term Deposit with new funds or funds in an existing Call Deposit or Term Deposit.
- 7.2 Rabobank may monitor and/or record telephone conversations for verification and training purposes.
- 7.3 Rabobank may act on telephone instructions from an individual, personal Depositor to open a new Deposit (including a new Term Deposit) with new funds or funds in an existing Call Deposit, at the interest rate applicable at the date of the relevant new Deposit. Information on interest rates can be obtained by contacting Rabobank. The new Deposit will be subject to the same terms and conditions except to the extent determined by Rabobank, and will have the same manner of operation.
- 7.4 Rabobank may act on electronic instructions in relation to transactions on a Deposit. Rabobank will not be responsible to the Depositors for any loss that you suffer as the result of any delay or loss in transit of any message, letter or document, or the delay, mutilation, omission or other error in the transmission of any facsimile, email, telex or other transmitted message or any error in translation or interpretation of technical terms or arising from any ambiguity in instructions from the Depositor(s), Authorised Signatory(ies) or an Intermediary or in connection with any reliance placed by Rabobank in good faith on such messages or as a result of such message not having been properly authorised by the person by whom it is purported to have been sent.
- 7.5 Rabobank may refuse to act on any instructions which it considers may be invalid or unlawful.
- 7.6 Rabobank may refuse to act on any instructions if it is notified there is a dispute between Depositors.
- 7.7 Rabobank will not accept direct debit instructions to debit your Deposit.
- 7.8 All communications with Rabobank, including instructions, must at all times be in accordance with Rabobank's directions.

Interest

- 8.1 Interest on a Call Deposit is calculated on the basis of the number of days from and including the date of acceptance or interest payment up to but excluding the date of withdrawal or next interest payment. The interest rates for Call Deposits are variable and are based on the prevailing bank bill swap rates. Interest rates are tiered which means that a different rate may apply to your Call Deposit, depending on the balance of your Call Deposit. The interest rate applicable to your Call Deposit is the variable rate and is set out in the statement of account. The daily variable rate is the annual variable rate divided by 365. Interest on Call Deposits is paid on the first day of each calendar month in arrears and credited to the same Deposit or Nominated Account as may be agreed with Rabobank. Interest is calculated by applying the daily variable rate to the daily closing principal balance. Interest calculated from the last interest payment date before final withdrawal will be paid on final withdrawal.
- 8.2 Interest on Term Deposits is calculated on the basis of the number of

days from and including the date of acceptance or interest payment up to but excluding the date of maturity or withdrawal. The interest rates offered for Term Deposits can vary and are based on the prevailing bank bill swap rates. Interest rates are tiered, which means that a different rate may apply to your Term Deposit depending on the balance of the deposit and the frequency of interest payments selected, however for each term, the interest rate remains fixed for that term to maturity. The interest rate that applies to a Term Deposit is the rate specified in a confirmation and the daily interest rate is the rate specified divided by 365. Interest on Term Deposits is calculated by applying the daily variable rate to the daily closing principal balance. Interest on Term Deposit is paid in arrears monthly, quarterly, half-yearly or yearly as chosen by the Depositor(s) from the date of acceptance and is credited to the Nominated Account.

- 8.3 Information on current interest rates, or past rates and ranges of rates, is available from any Rabobank branch or by calling 1800 632 113 or visiting our website www.rabobank.com.au
- 8.4 Worked Dollar Example (for illustration only): Call Deposit of \$10,000 held for 1 year with interest at 5% p.a. will earn \$511.62 interest. Note: This example assumes a constant interest rate, however the rate may vary daily. Term Deposit of \$10,000 held for 1 year with interest at 5% p.a. will earn \$500 interest.

Withdrawals – Call Deposits

- 9.1 A withdrawal will be dated the same day as the request if the request is received by Rabobank prior to 3.00pm Sydney time on a Business Day. In this case, the funds will be transferred from Rabobank prior to the next business day to the Nominated Account. Otherwise, the withdrawal may not occur until the next Business Day.
- 9.2 No more than 20 withdrawals from a Call Deposit may be made in any one calendar month.

Maturity – Term Deposits

- 10.1 After receiving an instruction for repayment, the funds will be repaid to the Nominated Account.
- 10.2 If no such instructions are received prior to maturity and there is an existing Call Deposit in the same name(s), the funds will be deposited in that Call Deposit. Otherwise, they will be invested in a new Call Deposit, at the then current rate applicable to Call Deposits, on the same terms and conditions except to the extent determined by Rabobank acting reasonably and will have the same manner of operation.
- 10.3 If a Depositor wishes to break part or all of a Term Deposit prior to maturity, the Depositor must make a request to Rabobank in writing or electronically by sending an email from his/her nominated email address. If Rabobank agrees to the early termination, a break cost (as determined by us) on the part of the Term Deposit terminated may be deducted from the Term Deposit and/or interest and the early withdrawal value of the Term Deposit will be paid to the Nominated Account. Break costs represent the future cashflow losses incurred by Rabobank as a result of interest rate differentials that exist between wholesale market rates applicable to the existing term deposit and current wholesale market rates applicable for the remaining period of the term deposit, adjusted to reflect a net present value. Break costs increase in line with increases in the following: interest rates, the amount withdrawn and the market margin, and Rabobank's costs of meeting the early withdrawal. Further information is available on request.
- 10.4 Prior to maturity, Rabobank will send a written notice, either by letter to your nominated postal address or electronically by email to your nominated email address or, requesting instructions as to whether the Depositor(s) seeks reinvestment in another Deposit or repayment of the maturing funds (and interest).
- 10.5 Worked Dollar Example (for illustration only): Two year Term Deposit of \$10,000 with interest at 5% p.a. payable annually broken after 1 year when interest on a 1 year Term Deposit which is payable annually is 6% p.a. Break cost payable by the Depositor is \$103.68.
- 10.6 If you reinvest in another Term Deposit, you may withdraw or transfer the funds in the new Term Deposit without incurring a fee or incurring a reduction in the return at any time during the 7 day grace period after your maturity date of the product or on the following day. If you consent to your Term Deposit rolling over at maturity, it may roll over into a Term Deposit with a lower interest rate.

Early Withdrawal – Term Deposits

- 11.1 When you invest in a Term Deposit, you agree to invest a fixed amount for a fixed term at a fixed interest rate. During its term, you must provide us with at least 31 days' notice to withdraw any funds from your Term Deposit prior to maturity unless financial hardship applies as defined by Rabobank. If you have less than 31 days remaining of the term, the earliest you may access the funds is following maturity unless financial hardship applies as defined by Rabobank.

11.2 The 31 day notice period applies to Term Deposits unless you can show that you need access to your funds earlier due to financial hardship. If you need earlier access to funds prior to maturity due to financial hardship, you need to provide us with details to enable us to assess whether your case qualifies for an earlier withdrawal under our financial hardship policy.

- 11.3 If you may have a need in the future to immediately withdraw or transfer funds in your Term Deposit, other Rabobank deposit products may be more appropriate.

Statements of Account

- 12.1 Rabobank will issue monthly account statements for Call Deposits either by letter to your nominated postal address or electronically by email to your nominated email address. Rabobank will issue confirmations of interest payments for Term Deposits either electronically by sending an email to your nominated email address or by letter to your nominated postal address. It is important that the Depositor(s) check these documents and notify Rabobank immediately of any errors or unauthorised transactions appearing on them.
- 12.2 You agree that statements of account are not provided for Term Deposits and that they need not be provided.

Fees and Charges

- 13.1 Rabobank does not levy account service fees on Deposits. Information on Rabobank's standard fees and charges relating to a Deposit is available from our Website and is also available on request by contacting Rabobank freecall on 1800 632 113.
- 13.2 Rabobank reserves the right to pass on, deduct or debit any government charges applicable from time to time. As at the date of this document there are no government charges. For further details of current government charges, contact Rabobank freecall on 1800 632 113.
- 13.3 Withholding tax on interest may be payable by non-residents at the time it is paid.

Commission/Brokerage

- 14.1 Where an Adviser/Intermediary is involved in introducing you to a Rabobank Deposit, and you have agreed to pay your Adviser/Intermediary a fee based on your Deposit amount and balance (and any subsequent Deposits such as rolled over Term Deposits) (Adviser Fee) and you agree for Rabobank to collect this Adviser Fee from the interest applied to your Deposit, Rabobank may, on your instruction, pay the amount you specify directly to your Adviser/Intermediary on your behalf. If you have nominated your Adviser/Intermediary to be an Authorised Signatory, you authorise Rabobank to disclose details regarding the investment, to the Adviser/intermediary. The Adviser Fee payable (if any) is the rate charged by the Adviser/ Intermediary. Commission is deducted from the interest paid by Rabobank on the Deposit. Contact your Adviser/Intermediary or Rabobank for details.
- 14.2 Worked Dollar Example (for illustration only): Term Deposit of \$10,000 held for 1 year with interest at 5% p.a. will earn \$500 interest, \$20 (0.2% x \$10,000) of which is paid to the intermediary as commission and \$480 to the Depositor(s).
- 14.3 Rabobank will not pay any amount of Adviser Fee if it is prohibited by any relevant law to do so.

- 15.1 Rabobank has adopted the Code of Banking Practice as published by the Australian Bankers' Association. If you are an individual or a small business (as defined in the Code of Banking Practice) at the time we provide you with your Call Deposit or Term Deposit Account, the provisions of the Code of Banking Practice apply to that Account.

- 21.2 You agree, at the opening of an Account and at any time during the lifetime of an Account, to provide to us any documentation and information we request from time to time in order for us to undertake any action to comply with any Applicable Regulation, including on behalf of another member of the Rabobank Group. If Rabobank combines all of your accounts, there will be only a single amount either Rabobank will owe you or you owe Rabobank. Combining accounts may result in a cost being debited to an account, such as a break cost if a term deposit is combined. Rabobank has no obligation to combine your accounts.

Closure of the Deposit

- 23.1 Rabobank will, at your request in writing, close a Deposit that is in credit. If the Deposit is a joint Deposit, Rabobank will need instructions from all Depositors before closing the Deposit. You must pay amounts you owe us under the Deposit including any break costs if they apply.

 - we consider that your account is 'inactive' i.e. you have not made a deposit into, or withdrawal from, the account within the previous 12 months, and the balance is less than \$1,000;
 - we have assessed you as being a recalcitrant account holder (including if you are 'recalcitrant' within the meaning of any Applicable Regulations);
 - we consider it necessary for security reasons or we reasonably suspect fraudulent use or access to the account;
 - you are involved in or convicted of criminal activity and we, in our reasonable opinion, consider such an involvement or conviction may adversely impact Rabobank's reputation; or
