## Important information about accessing Term Deposit funds:

- If you need to access your funds from this Term Deposit prior to the maturity date, a 31 day holding period applies (except in the case of financial hardship).<sup>\*</sup> Break costs may also apply.
- Rabobank can delay the withdrawal or transfer until the end of this holding period (but not beyond the maturity date).
- If you're looking for more flexible access to your funds, other Rabobank deposit products may be more suitable.
- If you've chosen to automatically reinvest your Term Deposit, it may roll into a lower interest rate so please refer to our rates closer to the date of maturity.
