Section G Minors

Is any account owner or authorised signatory a Minor? Yes No

If any Account Owner or Authorised Signatory is under 18 years of age, the Account Owner(s) fully indemnify Rabobank for any loss it may suffer due to the minor's age. If the minor is the sole Account Owner, a parent or guardian who is 18 years of age or over must sign below and thereby give the same indemnity. If there is no Line of Credit, this indemnity is limited to \$50,000 plus any fees and interest. Any person giving such an indemnity may become liable under that indemnity instead of, or as well as, the minor. Independent legal advice should be sought before giving such an indemnity. Rabobank does not apply the tax free threshold to accounts owned by minors. If you are eligible, you will need to obtain a rebate from the ATO.

- 3.4 By prior agreement with us you may overdraw the Account for a period of no more than 62 days. You must pay debit interest on the overdrawn amount as set out in clause 6.5, and fees may also be payable. Any such overdrawing will also be subject to any other terms we agree with you at that time. If there is no such agreement and clause 10.2 does not apply, you must not overdraw the Account.

- 3.6 We may monitor and/or record conversations for verification purposes.
- 3.7 Proceeds of cheques are not available until cleared. Clearance usually takes 5 Business Days.
- 3.8 If we give you access to any funds prior to them being cleared, and the funds are not subsequently cleared, we will debit the Account with the amount of those funds e.g. cheques.
- 3.9 You can make payments to your Account as specified in the Key Account Features Table or in any other manner acceptable to us. Payments will only be credited to the Account upon actual receipt by us of the funds in Sydney.

- When an Account is required to be closed;
 - When an additional authorised signatory is required;
 - When setting up automatic payments (see clause 7); or
 - stopping payments (see clause 8).
- 3.15 We may refuse to act on any instructions which we reasonably consider may be invalid or unlawful.

3.19 Variable FMD

If we become aware that a Nominated Account is closed or no longer available for a Variable FMD then a Call Deposit Account will be opened in the same name as your Variable FMD Account and interest will be paid into this account. - 3.20 We are not liable to you or anyone else for any loss, cost or damage that you or anyone else suffers as a result of our refusal to authorise any transaction, where we have the right to so refuse.
- 3.21 We are not liable to you for any loss, cost or damage you suffer arising from any act, event or circumstance which is beyond our reasonable control, except where this involves fraud, negligence or wilful misconduct of Rabobank or its employees, officers, contractors, or agents, appointed receivers or parties involved in the provision of services relating to your Account/s.
- 3.22 With regard to Electronic Means (as defined in clause 34), we will not be responsible to you for any loss that you suffer as a result of any delay or loss in transit of any message, letter or document, or the delay, mutilation, omission or other error in the transmission of any facsimile, email, telex or other transmitted message or any error in translation or interpretation of technical terms or arising from any ambiguity in instructions from you, an Authorised Signatory(ies), Attorney or an Intermediary or in connection with any reliance placed by us in good faith on such messages or as a result of such messages not having been properly authorised by the person by whom it is sent, except where this involves fraud, negligence or wilful misconduct of Rabobank or its employees, officers, contractors, or agents, appointed receivers, or parties involved in the provision of services relating to your Account.

Methods of serving a notice

- 3.23 You must ensure that any contact information that you give to us is accurate and up to date at all times. You must promptly notify us of any changes as soon as possible.

- where sent by post, upon the earliest of actual receipt or the day when the addressee would have received the item in the ordinary course of post.
 - where sent by electronic communication, when the system from which it was sent indicates that it was sent successfully, or where delivered, upon actual delivery, except where sent/delivered after 4.30 pm or on a day which is not a Business Day, in which case service is taken to be effected on the next Business Day.
- 3.28 Even if we normally provide notices or statements electronically, we reserve the right to send paper ones instead to your nominated postal address (e.g. if for any reason we are not able to provide them electronically or we cancel your election to receive statements or notices electronically because we are unable to deliver electronic communications to your nominated Electronic Address).

4. Consent to receive electronic communications

- 4.1 You agree that any information (whether by writing or other means) including, but not limited to, Account statements, notices, receipts and other documents, whether or not such information is required by or under these terms and conditions, legislation, a government or regulatory body or any relevant industry rules, codes or standards that apply, may be given to you by:

- 4.4 If you change your Electronic Address, you agree that you will promptly notify us of this change.
- 4.5 All communications with us, including instructions, must be in accordance with Rabobank's reasonable directions.

5. Statements of Account

- 5.1 We will provide you with statements of Account monthly. If you hold a Term Deposit, or Term FMD we will give you interest payment confirmation letters when interest is paid, and statements will be issued on a monthly basis. If you hold a variable FMD, we will send you a statement after every withdrawal. Statements are sent either by letter to your nominated postal address or made available on Rabobank Internet Banking with a notification sent electronically by email to your nominated email address.
- 5.2 You must check your Account statement, and interest payment confirmation letters, and let us know immediately if you want to question an entry shown on it by calling 1800 025 484.
- 5.3 We will not provide you with a statement if it has been agreed that some other method will be used to record the transactions or a statement need not be provided, or no amount has been debited or credited to the Account during the statement period (other than debits for government charges, or duties, on receipts or withdrawals), or we are unable, after taking reasonable steps to locate you.
- 5.4 You may request a statement to be issued by calling us on 1800 025 484. We may charge a fee for the issue of a copy of a statement.
- 5.5 We may provide copies of your statements and other notices relating to your Account to your Intermediary and/or Attorney unless you notify us in writing that you no longer wish for us to do this.

6. Interest

- 6.1 We will pay a variable rate of interest on any credit funds held in the Cash Management Account, Premium Cash Management Account, Call Deposit Account and Variable FMD. Our rates vary, sometimes daily.
- 6.2 The current credit interest rates and ranges of rates are available on request from our Client Services Unit by calling 1800 025 484 or on our Website. Past credit interest rates are available on request from our Client Services Unit by calling 1800 025 484.

Cash Management Account and Premium Cash Management Account

- 6.3 If you have a Cash Management Account or Premium Cash Management Account different credit rates of interest may apply, depending on the amount of credit funds.
- 6.4 Interest is calculated daily by applying the applicable daily interest rate to the credit balance of the Account at the end of each day. The daily interest rate is the relevant interest rate divided by 365. The sum of all such amounts for the relevant period is credited to the Account monthly in arrears on the first day of each month and on closure of the Account. Interest is accrued from the first date on which the Account has a credit balance or the date of the last interest payment, up to but not including the date of the next interest payment, withdrawal of all the credit funds or closure of the Account.
- 6.5 You must not overdraw the Account. If however the debit balance exceeds the Available Funds, interest on overdrawn funds is calculated daily by applying the daily debit interest rate to the debit balance of the Account at the end of each day. The daily debit interest rate is the Variable Rate applicable for that day, plus a fixed margin which is set out in the Fees Schedule, divided by 365. The sum of all such amounts for the relevant period is debited to the Account monthly in arrears on the last day of each month and immediately before closure of the Account. The current Variable Rate is available on request from our Client Services Unit by calling 1800 025 484 or on our Website.

Call Deposit Account and Variable Farm Management Deposit (FMD)

- 6.6 If you have a Call Deposit Account or Variable FMD different credit rates of interest may apply, depending on the amount of credit funds.
- 6.7 Interest is calculated daily by applying the applicable daily interest rate to the credit balance of the Account at the end of each day. The daily interest rate is the relevant interest rate divided by 365. Interest is accrued from the first date on which the Account has a credit balance or the date of the last interest payment, up to, but not including, the date of the next interest payment, withdrawal of all the credit funds or closure of the Account.
- 6.8 Interest on Variable FMDs is paid every three months from the date on which the Account was opened in arrears and credited to the Nominated Account.

- 6.9 Interest on a Call Deposit Account is paid on the first day of each calendar month in arrears and credited to the Call Deposit Account or Nominated Account as may be agreed with us.

Terms Deposit and Term Farm Management Deposit (FMD)

- 6.10 Interest is calculated on the basis of the number of days from and including the date of acceptance or interest payment up to but excluding the date of maturity or withdrawal. For each term, the interest rate remains fixed for that term to maturity. The interest rate that applies to a deposit is the rate specified in a confirmation and the daily interest rate is the rate specified divided by 365.
- 6.11 For Term Deposits with a fixed term of between 1 month and 11 months (inclusive), interest is paid at maturity. Interest on Term Deposits with a term of 12 months to 5 years is paid in arrears monthly, quarterly, half-yearly or yearly as chosen by you from the date of acceptance and is credited to the Nominated Account.
- 6.12 For Term FMDs with a fixed term of between 1 month and 11 months (inclusive), interest is paid at maturity. For Term FMDs with a fixed term of 1 year to 2 years (inclusive), interest is paid in arrears quarterly, half-yearly or yearly as chosen by you from the date of acceptance. Interest is paid in equal instalments over the chosen term. Interest is paid to the Nominated Account.

Examples of interest calculations (for illustration only):

Call Deposit Account with balances of \$10,000 held for 1 year with interest at 5% p.a. will earn \$511.62 interest. Note: This example assumes a constant interest rate and interest compounded monthly, however the rate may vary daily.

- 10.5 Our standard fees and charges are set out in the Fees Schedule, which is available on request. You may obtain a copy of the Fees Schedule at any branch or from the Website.

11. Breach of Terms and Conditions

- 11.1 If you breach a material requirement of these Terms and Conditions, and you fail to remedy such breach (where the breach is capable of remedy) after receiving a notice from us to do so which would or may materially increase Rabobank's risk, our rights include doing any or all of the following:
- (a) close any Account in accordance with the provisions of clause 12;
 - (b) cancelling any Visa Debit Card and require its return in accordance with the Rabobank Visa Debit Card Conditions of Use; and

If the Account is a joint Account, we will need instructions from you and the other joint Account Owner/s before closing the Account.
- 12.2 We have the right to close, or block access to, any Account if:
- (a) it is no longer lawfully possible for us to provide an Account to you;
 - (b) subject to clause 11, you have committed a material breach of these Terms and Conditions, which results or may result in materially increasing Rabobank's risk;
 - (c) we consider that your Account (except for FMD and Term Deposit) is "inactive" i.e. you have not made a deposit into, or withdrawal from, the Account within the previous 12 months, nor have you provided Rabobank with instructions with regard to the Account within the previous 12 months, and the balance is less than \$1,000;
 - (d) we have assessed you as being a recalcitrant Account holder (including if you are "recalcitrant" within the meaning of and set out in the United States Foreign Account Tax Compliance Act and the Common Reporting Standards);
 - (e) we reasonably believe it necessary to prevent fraud, scams, mule account activity (which means activity relating to an account indicating that the account may be used to process money linked to criminal activity) or financial loss to us or you arising from the misuse or unauthorised use of the Account or our banking services;
 - (f) you are involved in or convicted of criminal activity and we, in our reasonable opinion, consider such an involvement or conviction may adversely impact our reputation;

 - i. uses crude, disrespectful or insulting language;
 - ii. is discriminatory, defamatory or otherwise unlawful;

 - (j) we consider it necessary, in our reasonable opinion, in order to protect our legitimate business interests.
- 12.3 If we block or close an Account under clause 12.2, we will provide you with 30 days' prior notice where reasonable in the circumstances and to the extent permitted by law. In some circumstances we may block or close an account without providing you with any prior notice if we reasonably believe immediate action is necessary to protect us or you from suffering financial loss (for example, to manage a risk of the kind described at clause 12.2). If we close the Account without prior notice to you, we will provide you with written notice as soon as reasonably possible after the action has been taken.
- 12.4 If the Account has a debit balance you must pay to us the amount of that debit balance.
- 12.5 Following notification of closure of the Account for any reason, we will continue to debit to the Account fees, Government Charges, interest and other costs arising from the operation or maintenance of the Account during the period up to closure of the Account. We may continue to debit to the Account any transactions incurred by you on the Account. You agree to pay us on demand all such amounts debited to the Account.
- 12.6 If we suspend or close an Account of yours that is in credit:
- (a) if legally permitted, we will transfer your credit balance to your Nominated Account or any other account nominated by you;
 - (b) we may not transfer the credit balance to you if we reasonably believe that a regulatory or other legal obligation or reason (such as to comply with a court order or we reasonably believe the funds are not yours) prevents us from doing so or to manage associated risk;
 - (c) we may transfer some or all of the credit balance to another financial institution or genuine claimant where we receive notice from that institution or claimant that the funds belong to a bona fide third party in relation to a matter of the kind described in clause 12.2(e), 12.2(f), or 12.2(i) and we reasonably believe the request or claim is legitimate;
 - (d) if we are unable to transfer your credit balance to your Nominated Account and we cannot obtain instructions from you, or we are otherwise of the reasonable belief there is a basis set out in subclause (b) to not transfer the credit balance to you and have not otherwise transferred funds to a bona fide third party under subclause (c), we may transfer the balance to a suspense account, and ultimately to the Commonwealth Government as unclaimed money where permitted or required by applicable laws; and
 - (e) we may charge you an amount that is our reasonable estimate of the costs of closure (we will advise you if there is such a fee).

13. Variations to terms and conditions

- 13.1 We can change these terms and conditions at any time without your agreement for any one or more of the following reasons:
- (a) to comply with any change or anticipated change in any relevant law, Banking Code of Practice, guidance or general banking practice;

 - (c) advertising in the media.

- 13.3 If we change an interest rate, we will let you know no later than the date of the change unless an interest rate is calculated according to an external reference rate or a rate that is not designated as a variable rate. This clause does not apply to a change in the method of calculating interest or the frequency with which interest is debited.
- 13.4 Apart from a change described at clause 13.3, if we believe a change is unfavourable to you, then we will give you prior reasonable written notice (which will not be less than 30 days) subject to clause 13.5.
- 13.5 We may give you a shorter notice period than the period described in clause 13.4 if:
- (a) we believe doing so is necessary for us to avoid, or to reduce, a material increase in our credit risk or our loss; or
 - (b) there is a change to, or introduction of a government charge that you pay directly, or indirectly, as part of your banking service. In such a case, we will tell you about the introduction or change reasonably promptly after the government notifies us (however, we do not have to tell you about it if the government publicise the introduction or change).

17. Delay or waiver

- 17.1 Our failure to enforce, at any time or for any duration of time, any of our rights in respect of these Terms and Conditions will not be a waiver of our rights.

18. Severability of provisions

- 18.1 If any provision of these Terms and Conditions is held to be invalid, unenforceable or illegal for any reason, it will be severed and the remaining provisions must not in any way be affected or impaired and these Terms and Conditions must be construed so as most nearly to give effect to the original intent of the parties.

19. Applicable law

- 19.1 These Terms and Conditions are governed by the law of the state or territory in Australia in which the branch of Rabobank through which the Account was obtained is situated. The parties irrevocably and unconditionally submit to the nonexclusive jurisdiction of the courts of that place.

- 20.4 You must give us all relevant information that you have about the matter you have reported. We will tell you if there

is anything else you must do to help us investigate the matter.

- 20.5 We will write to you within 21 days after you give us the information you have about the matter. We will tell you whether we have completed our investigation or whether we need more time.
- 20.6 We should complete our investigation within 45 days after you give us the information you have about the matter. If there are exceptional circumstances that prevent us from doing so, we will write and tell you what these are. In addition, we will give you monthly progress updates if our investigation continues beyond 45 days and advise you in these updates when a decision can reasonably be expected (unless we have asked you for a response and are still waiting for that response).
- 20.7 When we complete an investigation, we will write to you promptly and tell you:
- (a) the outcome of the investigation; and
 - (b) the reasons for the outcome. If we can resolve the problem to your and our satisfaction immediately, we may not write to you.
- 20.8 If we decide that the Account has been wrongly credited or debited, we will adjust the Account promptly (including any interest, fees or Government Charges). We will write and tell you the amount by which the Account has been credited or debited.

21. Trustees

- 21.1 This clause shall apply where you own this Account as trustee of a trust, whether or not disclosed to us (called the "Trust").
- 21.2 You represent and warrant to us that for the duration of the Account:

- 21.7 You agree to notify us of, and at least 5 days before, any distribution, vesting, transfer or payment of trust assets made from the Account in favour of a beneficiary of the trust and comply with any reasonable instruction we notify you of. Such a notice will include providing us with the name of the beneficiary (if not provided previously). We may provide further instructions to you to provide us with additional information about the beneficiary before the distribution, vesting, transfer of payment in order for us to comply with Applicable Regulations.

22. Anti-Money Laundering and Sanctions

- 22.1 You acknowledge that we may delay, intercept, block or refuse to make a payment and will provide you with reasonable notice to the extent we are able to do so if we believe on reasonable grounds that making a payment may breach any law in Australia or any other country (including, without limitation, legislation relating to anti-money laundering and Sanctions laws), and we will not incur any liability if we do so.
- 22.2 You represent and warrant to the best of your knowledge, having made due enquiries that neither you (or an Associate of yours) is a Restricted Party or has violated or is violating any applicable Sanctions.
- 22.3 You agree, at the opening of an Account and at any time during the lifetime of an Account, to provide to us any documentation and information we request from time to time in order for us to undertake any action to comply with any Applicable Regulations (including, without limitation, in order to comply with our anti-money laundering or Sanctions obligations), including on behalf of another member of the Rabobank Group. You also agree to such documentation and information provided to us being disclosed to any other person or body to enable it to be reported and used in compliance with the relevant Applicable Regulations.
- 22.4 You declare and undertake to us that you will not:
- (a) knowingly instruct us to make payment of monies that will breach any laws in Australia or any other country (including any Sanctions laws or involve any dealing with a Restricted Party); or
 - (b) engage in any activity, transaction or conduct that is likely to cause you or an Associate to be in breach of any Sanctions or becoming a person subject to Sanctions.
- 22.5 If you do not provide us with the required information we may be prevented by any Anti-Money Laundering or other laws in Australia or in any other country, from providing you with our banking services.

23. Tax File Number (TFN) and Withholding Tax

- 23.1 We are authorised to request and collect your TFN under the Income Tax Assessment Act 1936 (Cth), however you do not have to provide your TFN to us.
- 23.2 If your Account earns deposit interest in a tax year, and you have not provided us with your TFN or Australian Business Number ("ABN") where applicable), we may be required to deduct withholding tax from the interest earned on your Account at the highest marginal tax rate plus Medicare levy and remit this to the Australian Tax Office ("ATO").
- 23.3 You will need to contact the ATO or your tax agent for information on what you can do about any withholding tax that has been deducted from your Accounts.
- 23.4 Withholding tax on interest may be payable by non- residents at the time the interest is paid.

24. Privacy

- 24.1 We will handle the personal data we obtain and hold as set out in our Privacy Policy (available on our Website or in hard copy upon request) and the Privacy Notice and Acknowledgment which formed part of the application process for your product.
- 24.2 You understand and acknowledge that that we will collect, use, hold and disclose personal data in the manner we have set out, both at the time of application and ongoing during our relationship with you.

25. Financial Claims Scheme

- 25.1 You may be entitled to payment under the Federal government's Financial Claims Scheme (FCS) which provides a free guarantee of deposits up to and including \$250,000. Payments under the FCS are subject to a limit of \$250,000 per depositor, per Authorised Deposit-taking Institution. When considering such a limit as it applies to you, you should take into consideration all accounts which you may hold with Rabobank Australia Limited.
- 25.2 Information about the FCS can be obtained from the FCS website at www.fcs.gov.au.

26. Questions and complaints

- 26.1 If you have a query, compliment or complaint, please contact us by visiting our Website, calling us on 1800 025 484, or by contacting or visiting one of our branches. Further information about our dispute resolution processes can also be found in our Complaints Handling Brochure, available on our Website, our branches or by calling us.

27. Intermediary Fee

- 27.1 Where an Intermediary is involved in introducing you to the Account, and you have agreed to pay your Intermediary a fee based on your opening deposit amount and balance ("**Intermediary Fee**") and you agree for us to collect this

Intermediary Fee from the interest applied to your Account, we may, on your instruction, pay the amount you specify directly to your Intermediary on your behalf.

- 27.2 If you have nominated your Intermediary to be an Authorised Signatory, you authorise us to disclose details regarding the Account, to the Intermediary.
- 27.3 The Intermediary Fee payable (if any) is the rate charged by the Intermediary (as agreed between the Intermediary and you). This Intermediary Fee will be confirmed with you in writing. On your prior instruction, the Intermediary Fee will be deducted from the interest we pay on the Account.
- Worked Dollar Example (for illustration only): If we quote a rate of 3% to the Intermediary and your Intermediary instructs us that you agree to receive 2.90%. Then the Intermediary will receive the difference of 0.10% (3.00%-0.10%). A deposit of \$20,000 held for 1 year with interest at 2.90% p.a. (assuming the interest rate remains constant) will earn \$580 interest paid to you and \$20 (0.10% x \$20,000) which is paid to the Intermediary as an Intermediary Fee.
- 27.4 We will not pay any amount of Intermediary Fee if it is prohibited by any relevant laws to do so.
- 27.5 We will not pay any amount of Intermediary Fee to your Intermediary if during any interest payment cycle the amount of the Intermediary Fee exceeds the amount of interest accrued on your Account.
- 27.6 Contact your Intermediary or us for further details regarding this Intermediary Fee.

28. Conditions Specific to Cash Management and Premium Cash Management Accounts Rabobank Visa Debit Card

- 28.1 If we issue a Card to you for use on the Account, this clause applies together with the Rabobank Visa Debit card Conditions of Use, which we issue to you when you open the Account.
- 28.2 Use of the Visa Debit Card can, in some cases, involve a short-term deferral of a debt. This may result in the Account being overdrawn for a period, which period must not exceed 62 days.
- 28.3 If we accept your request to issue a subsidiary Visa Debit Card to an Authorised Signatory, you will be responsible for the use of that Visa Debit Card by the Authorised Signatory, including for debts incurred by using it on your Account, as if it were your Visa Debit Card. You should advise the Authorised Signatory to comply with the Rabobank Visa Debit Card Conditions of Use.
- 28.4 You can request to cancel a subsidiary Visa Debit Card by giving us written notice. However, you remain liable for any debt that the subsidiary cardholder incurs until Rabobank processes the request to cancel the subsidiary. You will not be liable for the continuing use of a subsidiary Visa Debit Card after the Rabobank has processed the request to cancel the subsidiary Visa Debit Card.

Rabobank Internet Banking Service

- 28.5 If we allow you to access the Account via Rabobank Internet Banking, the Rabobank Internet Banking Conditions of Use apply. You will be given these when you open the Account and also when you first log on to Rabobank Internet Banking.

29. Conditions Specific to Term Deposits Confirmation of Deposits

- 29.1 We will confirm our acceptance of an application in writing, either electronically by sending an email to your nominated email address or by letter to your nominated postal address, and will include details of the date of acceptance, amount invested, interest rate, interest payment frequency and maturity date as applicable.

Maturity of a Term Deposit

- 29.2 If the maturity/rollover date of your Term Deposit falls on a non-Business Day, you agree to the revised maturity/rollover date to be the next Business Day. If the Term Deposit matures on a non-Business Day, the value date of these transactions will be backdated to the maturity date.
- 29.3 After receiving an instruction for repayment, the funds will be repaid to the Nominated Account.
- 29.4 If no such instructions are received prior to maturity and there is an existing Call Deposit in the same name(s), the funds will be deposited in that Call Deposit. Otherwise, the funds will be invested in a new Call Deposit, at the then current rate applicable to Call Deposits, in accordance with our then current terms and conditions for Call Deposits.
- 29.5 As soon as practicable prior to maturity, we will send a written notice, either by letter to your nominated postal address or electronically by email to your nominated email address requesting instructions as to whether you seek reinvestment in another Deposit or repayment of the maturing funds (and interest).

Early Withdrawal of a Term Deposit and a Term FMD

- 29.6 When you invest in a Term FMD or Term Deposit, you agree to invest a fixed amount for a fixed term at a fixed interest rate. During its term, you must provide us with at least 31 days' notice to withdraw any funds from your Term FMD or Term Deposit prior to maturity unless financial hardship applies as defined by us.
- 29.7 If you have less than 31 days remaining of the term, the earliest you may access the funds is following maturity unless financial hardship applies as defined by us.
- 29.8 The 31 day notice period applies to Term FMDs or Term Deposits unless you can show that you need access to your funds earlier due to financial hardship. If you need earlier access to funds prior to maturity due to financial hardship, you need to provide us with details to enable us to assess whether your case qualifies for an earlier withdrawal under our financial hardship policy.
- 29.9 If you may have a need in the future to immediately withdraw or transfer funds in your Term FMD or Term Deposits, other Rabobank deposit products may be more appropriate.
- 29.10 If you reinvest in another Term FMD or Term Deposits, you may withdraw the funds or change your reinvestment instructions in the new Term FMD without incurring a fee or incurring a reduction in the return at any time during the Grace Period after the maturity date of the Account. You may only make one withdrawal or change your instructions without incurring a fee or reduction in the return during the Grace Period. If you consent to your Term FMD or Term Deposit rolling over at maturity, it may roll over into a Term FMD or Term Deposit with a lower interest rate.
- 29.11 If you wish to break part or all of a Term FMD or Term Deposit prior to maturity, please contact our Client Services Unit on 1800 025 484, or email our Client Services Unit at Sydney.client.service@rabobank.com, from your nominated email address if you require assistance. Rabobank will provide a verbal quote, which includes an early withdrawal value of the Term FMD or Term Deposit, less any interest adjustment or break cost. You have to agree to the quote prior to the Term FMD or Term Deposit being withdrawn. The quote remains open for acceptance until the applicable cut off times (as advised on the Website) on the day the quote was generated. If the quote is not accepted by you by the applicable cut off times (as advised on the Website), a new quote will need to be generated. The early withdrawal value of the Term FMD or Term Deposit, less any interest adjustment or break cost, will be paid to the Nominated Account.
- 29.12 For Term FMDs or Term Deposits we will apply an early withdrawal fee, the amount of which will be equivalent to reducing the interest rate on your Term FMD or Term Deposit according to the following calculation:

% of Term Elapsed at Withdrawal Date	Reduction to interest rate applying to the Term FMD or Term Deposit
Less than 20%	80%
20%<40%	60%
40%<60%	40%
60%<80%	20%
80%-100%	10%

Example: You have a \$20,000 Term FMD or Term Deposit invested for 1 year (365 days) at 2.50%p.a. and you request to withdraw it after 210 days. The interest that has accrued is: $\$20,000 \times 2.50\% \text{p.a.} \times 210 / 365 = \287.67 .

To determine the reduced interest rate to apply we divide the elapsed term of 210 days by the full term of 365 days to get an elapsed term percentage figure of 57.53%. In accordance with the above table, as the term elapsed is between 40-60%, we will apply a 40% reduction to the 2.50%p.a. calculated as follows: $2.50\% \text{p.a.} - (2.50\% \times 40\%) = 1.50\% \text{p.a.}$

Interest calculated using the new reduced interest rate is:

$\$20,000 \times 210 \text{ days} \times 1.50\% / 365 = \172.60 .

The interest adjustment is therefore: $\$287.67 - \$172.60 = \$115.07$.

No early withdrawal interest adjustment will be applied if you withdraw funds within 7 days after reinvesting your term deposit (i.e. during the Grace Period).

- 29.13 For all Term FMDs or Term Deposits, the principal and any interest payable (less any early withdrawal fee or break cost) upon early termination will be repaid by transfer to the Nominated Account. If we have already paid you periodic interest on your Term FMD or Term Deposit to the Nominated Account, and the total amount of that interest represents an overpayment to you once any reduced interest rate is applied, we may need to recover this from you.

30. Conditions Specific to Call Deposits Withdrawals from Call Deposit

- 30.1 A withdrawal will be dated the same day as the request if the request is received by Rabobank prior to 3.00pm Sydney time on a Business Day. In this case, the funds will be transferred from Rabobank prior to the next business day to the Nominated Account. Otherwise, the withdrawal may not occur until the next Business Day.

31. Conditions Specific to Farm Management Deposits Confirmation of an FMD

- 31.1 We will confirm our acceptance of an application in writing, either electronically by sending an email to your nominated email address or by letter to your nominated postal address, and will include details of the date of acceptance, amount invested, interest rate, interest payment frequency and maturity date as applicable.

Charges over an FMD

- 31.2 You must not create or agree to create a charge or other encumbrance or security interest over your Rabobank FMD as security for an amount payable by you or any other person to us or to any other person.

Variable FMD

- 31.3 Any requests for withdrawal of part or all of a Variable FMD may be accepted by telephone if funds are to be repaid to the Nominated Account.
- 31.4 If funds are to be repaid and transferred to an account other than the Nominated Account, any such request must be in writing.

Maturity of a Term FMD

- 31.5 If your maturity/rollover date of your Term FMD falls on a non-Business Day, you agree to the revised maturity/rollover date to be the next Business Day. If the Term FMD matures on a non-Business Day, the value date of these transactions will be backdated to the maturity date.
- 31.6 As soon as practicable, prior to maturity of a Term FMD, we will send a written notice, either by letter to your nominated postal address or electronically by email to your nominated email address, requesting instructions as to whether you seek reinvestment in another FMD or repayment of the maturing funds (and interest). If interest is deposited into an FMD account it means, strictly speaking, that the FMD ceases to be eligible for tax concessions.
- 31.7 After receiving an instruction for repayment, the funds will be repaid to the Nominated Account.
- 31.8 If no such instructions are received prior to maturity, the funds will be reinvested in a new Variable FMD, at the then current rate applicable to Variable FMDs, in accordance with the same terms and conditions and in the same manner of operation, except to the extent reasonably determined by Rabobank.

Early Withdrawal of a Term FMD

- 31.9 Please refer to clauses 29.6-29.14.

Rabobank Account Consolidation

- 31.10 We may combine two or more existing eligible FMD accounts at your request. To be eligible for consolidation, the Depositor must, immediately before the consolidation occurs, have:
- held each of the FMDs for at least 12 months; and
 - claimed a tax deduction for that amount of the existing FMD that has been requested to be consolidated.
- 31.11 If multiple FMDs are consolidated into a new FMD, you will be entering into a new agreement with us and a separate FMD Consolidation Form must be completed.

When the FMD must be repaid

- 31.12 All FMDs must be repaid by the Bank if you, or if you are a trustee, the beneficiary on whose behalf you are making the deposit:
- dies;
 - becomes bankrupt; or
 - ceases to carry on a primary production business in Australia for a period of 120 days or more.

32. Statements to be read by Farm Management Depositors

- 32.1 The information below does not constitute all of the information that should be read by a Farm Management Depositor, as additional requirements are set out in the Income Tax Assessment Act 1997 (Cth) and the Income Tax Assessment 1997 Act (Cth) Regulations 2021.
- 32.2 Please also consider your eligibility requirements on the ATO's webpage on FMD and FMD schemes (<https://www.ato.gov.au/Business/Primary-producers/In-detail/Farm-management-deposits-scheme/>), as well as

Division 393 of the *Income Tax Assessment Act 1997* (Cth) and Division 393 of the *Income Tax Assessment 1997 Act* (Cth) Regulations 2021 to understand all of the legal requirements for holding a FMD account.

Authorised Deposit Taking Institution

32.3 Rabobank is the FMD provider issuing this application form and is an authorised deposit taking institution for the purposes of the Banking Act 1959.

Purpose of Farm Management Deposits Scheme

32.4 The farm management deposits scheme is designed to allow individuals carrying on a primary production business in Australia, to shift before tax income from years when they need it least, to years when it is most needed. The scheme helps those individuals to manage their exposure to adverse economic events and seasonal fluctuations. Eligibility criteria apply to individuals carrying on a primary production business in Australia under the scheme. Note primary production business and carrying on a primary production business are explained in subsection 995-1 (1) of the *Income Tax Assessment Act 1997* (Cth).

Tax consequences for Farm Management Deposits

32.5 The scheme allows individuals carrying on a primary production business in Australia to deduct the amount of any farm management deposit they own from their assessable income for the income year in which the deposit is made. However, the amount of the deductions cannot exceed the owner's taxable primary production income for the income year. Under the Pay As You Go system, owners may reduce their instalment income for an instalment period by the amount of farm management deposits made during that period. The reduction is limited to the amount that the owners can reasonably expect to deduct for the deposit for the income year in which the deposit is made. However, the instalment income for the period cannot be reduced below nil. When a farm management deposit is repaid to an owner in an instalment period, the instalment income of the period will include the amount of the repayment. But the owner's instalment income will only include so much of the repayment as will be included in the owner's assessable income for the income year in which the repayment is made. If neither the owner's tax file number nor Australian Business Number has been quoted to the FMD provider that holds the deposit, the amount repaid will also be subject to withholding at a rate equal to the sum of the top marginal tax rate and the Medicare levy.

Important requirements for Farm Management Deposits

32.6 Some of the requirements for farm management deposits are summarised below. There are also other requirements set out in the *Income Tax Assessment Act 1997* (Cth). A breach of some of the requirements will result in the deposit not being treated as a farm management deposit, and the tax benefits will be lost.

- (a) The owner must be an individual who is carrying on a primary production business in Australia when the deposit is made.
- (b) The deposit must be made by only one individual and on behalf of only one individual.
- (c) Rights of the Depositor are not, and must not be, transferable to another entity.
- (d) The deposit must not be used as security for any amount owed to the FMD provider or any other entity by the Depositor or any other entity.
- (e) Interest or other earnings on the deposit must not be invested as a farm management deposit with the FMD provider without having first been paid to the Depositor.
- (f) If the Depositor requests in writing, the FMD provider must electronically transfer the deposit, or part of the deposit, to another FMD provider that agrees to accept it as a farm management deposit.
- (g) The FMD provider must not deduct any fees from the principal of a farm management deposit. However, it may charge fees on the deposit.

Repayment of Farm Management Deposits

32.7 The tax benefits are not retained for deposit amounts repaid within the first 12 months after the deposit was made, unless the repayment is made:

- (a) because the owner:
 - (i) dies; or
 - (ii) becomes bankrupt; or
 - (iii) ceases to carry on a primary production business in Australia and does not start carrying on such a business again within 120 days; or
 - (iv) has requested the deposit, or part of the deposit, to be transferred to another FMD provider; or
- (b) because the circumstances specified in subsection 393-40(3) of the *Income Tax Assessment Act 1997* or in regulations made for the purposes of that subsection, relating to repayment in the event of severe drought, exist; or
- (c) because the circumstances specified in subsection 393-40(3A) of the *Income Tax Assessment Act 1997* or in regulations made for the purposes of that subsection, relating to repayment in the event of a natural disaster, exist.

Additional information

32.8 Additional Information:

- (a) The minimum deposit threshold is \$1,000.
- (b) The maximum deposit limit is \$800,000 in total in Farm Management Deposit accounts across all financial institutions.
- (c) An individual can own more than one farm management deposit and can own farm management deposits with different FMD providers, but the sum of the balances of all of the farm management deposits of an owner must not be more than the maximum deposit limit.
- (d) The amount of any repayment of the deposit must be at least \$1,000, except where the entire amount of the deposit is repaid.
- (e) The taxable non primary production income for the year of income must not exceed \$100,000.
- (f) If the Depositor has provided neither the Depositor's tax file number, any repayment will be subject to the withholding rate, which is the sum of:
 - (i) the top marginal tax rate for the income year in the year of deposit currently 45%; and
 - (ii) the Medicare levy currently 2%.
- (g) If the deposit is used to offset a liability to pay interest on debts to the FMD provider that do not wholly relate to a primary production business that the owner (or a partnership of which the owner is a partner) carries on, the owner is liable to an administrative penalty of up to 200% of that offset.

Introduction

These Rabobank Internet Banking Conditions of Use contain the conditions of use which apply to your access to and use of Rabobank Internet Banking. Please read carefully through the Conditions of Use now. If you do not understand any part of them, please contact our staff via the Rabobank Internet Banking Info Line on 1800 640 442 in Australia, or if you are overseas on +61 2 8115 2002. It is important that you know your rights and obligations when accessing and using Rabobank Internet Banking.

In order to use Rabobank Internet Banking, you must agree to accept these Conditions of Use by clicking on the “Accept” button at the end of these Rabobank Internet Banking Conditions of Use (upon login). If you do not agree with any of these Conditions of Use, click on the “Decline” button (upon login). If you do that, you will not be able to proceed further into the Rabobank Internet Banking site and will not be able to access or use Rabobank Internet Banking.

These Conditions of Use form part of the terms and conditions relating to the account and should be read together with any other terms and conditions which apply to the individual accounts or products affected by your use of Rabobank Internet Banking (the product terms and conditions) and, if you have a Line of Credit, any Line of Credit Contract. Together these govern your access to and use of the Services. These Conditions of Use are to be read together with and, to the extent of any inconsistency, override the product terms and conditions in relation to Rabobank Internet Banking. To the extent of any inconsistency between these documents, these Conditions of Use will prevail.

Subject to clause 14 of these Conditions of Use, the Rabobank Internet Banking Conditions of Use published on the Website at any time represent the current Conditions of Use and replace any other Rabobank Internet Banking Conditions of Use published on the Website or issued in any other form prior to that date.

You should refer back to these Conditions of Use from time to time to ensure that you are aware of the basis upon which the Services are made available to you.

The meaning of important terms used in these Conditions of Use is set out in the Glossary in clause 19 of these Conditions of Use.

Conditions of Use

1. Application of Conditions of Use

We only allow you to access and use Rabobank Internet Banking and the Services in accordance with these Conditions of Use. All Instructions received are governed by these Conditions of Use and the terms and conditions of the accounts accessed using Rabobank Internet Banking.

We are a member of the BPAY® Scheme. The BPAY Scheme is an electronic payments scheme through which you can ask us to make a payment on your behalf to organisations (Billers) who tell you that you can make payments to them through the BPAY Scheme (BPAY Payments). The BPAY Scheme is only available in respect of Rabobank All in One Accounts and Cash Management Accounts opened in Australia.

We will tell you if we are no longer a member of the BPAY Scheme.

There are special conditions that apply to the use of the BPAY Scheme. These special conditions are contained in clauses 11, 12 and 16 of these Conditions of Use.

2. How we act on your instructions (See also clause 11 for additional special conditions that apply to BPAY Payments)

Until you notify us in accordance with these Conditions of Use that you think your Username, PIN, Mobile Device or Token has been compromised, or that you wish to terminate your access to the Services, we may act on any instructions received that are sent using your Username, PIN and Token Code or your Mobile Device and PIN (Instructions).

If you have authorised another person to have access to your accounts using Rabobank Internet Banking, until we are notified in accordance with these Conditions of Use that that person's Username, PIN, Mobile Device or Token has been compromised or that that person's access to Rabobank Internet Banking is terminated, you are also liable:

- for any Instructions we act upon that are sent using that person's Username, PIN and Token Code or your Mobile Device and PIN; and
- for any material breach of these Conditions of Use by that person, including if that person contributes to an unauthorised access to an account under clause 10 below.

If you authorise another person to have access to your accounts using Rabobank Internet Banking, that person will be able to access and transact on all of your accounts which are able to be accessed using Rabobank Internet Banking.

We will act on Instructions on the Business Day we receive them if those instructions are received by the relevant payment cut-off times; please refer to the Rabobank Internet Banking FAQ on our website or refer to the Rabobank Internet Banking online help for payment, transfer and interest rate booking cut-off times.

We may act on Instructions received after these times on the next Business Day. Instructions received on a day which is not a Business Day may be acted on by us on the next Business Day.

If we permit you to instruct us to carry out a transaction on a future date we will act on your Instructions on that date, unless that date is a day which is not a Business Day, in which case we will act on the Instructions on the next Business Day after that date. You must be careful to ensure that you tell us the correct amount you wish to pay.

If you request us to make a payment and after we have made that payment you determine you quoted an incorrect amount or recipient account, you agree to promptly inform us. We will use our best endeavors to assist you to rectify this.

If you have instructed us to carry out a transaction other than a BPAY Payment, and subsequently wish to revoke that Instruction, we will use our best endeavours to carry out your subsequent request.

For confirmation and security purposes, we may send you notifications by text message to the mobile phone number listed on your account when you give us certain instructions through Rabobank Internet Banking e.g. when you add or amend a payee, or when you make a one-off payment to a new payee.

3. When we may refuse to carry out a transaction, and suspension and termination of the Services

We may place daily or other limits on the amount or value of transactions we permit to be carried out using the Services. This may affect your ability to make a Payment using the Services. There is a default daily limit of \$300,000 across all accounts to which you have access when you use the Services via Rabobank Internet Banking on the Website, and a daily limit of \$25,000 across all accounts to which you have access when you use the Services via the Rabobank Mobile App. We may agree to change the daily limit if you request us to make a change.

We may from time to time, suspend or terminate your access to the Services for security or fraud prevention reasons, to protect the integrity or security of our website, to comply with our legal obligations, if you fail to comply with a material requirement of these Conditions of Use, for maintenance or for reasons beyond our control such as internet outages or material unexpected changes in the markets we operate in. We can do so without prior notice to you where there is a material and immediate risk, however where possible we will give you advance notice. During a period of suspension or termination of the Services, we may not be able to act on any Instructions received from you. You can contact us for information on options to re-instate your access.

We may impose any conditions or restrictions on your use of the Services if, in our reasonable opinion, you have transmitted content, including via any payment method (for example, text in payment descriptions), which is inappropriate, including content which:

- uses crude, disrespectful or insulting language;
- is discriminatory, defamatory or otherwise unlawful;
- threatens or promotes physical violence;
- threatens or promotes psychological violence or mental harm; or
- is intimidating, threatening, abusive or harassing in nature.

When, in Rabobank's reasonable opinion, there is a material and immediate risk, we can terminate access to the Services without prior notice to you. If Rabobank terminates access to the Services without prior notice to you, we will provide you with written notice as soon as reasonably possible after the action has been taken.

You may terminate your access to the Services, or that of any person authorised by you to use the Services, by giving us notice in writing. This notice is not effective until it is received by us and may be given by the Secure Message function of Rabobank Internet Banking.

We may refuse to carry out a transaction or act on Instructions if:

- You have informed us in writing that you wish to terminate access to the Services or if you are authorised by another person or persons to use the Services, that person or persons has withdrawn your authorisation to use the Services;
- You have informed us or we reasonably believe that your Username, PIN, Mobile Device or Token has been compromised or is being used or may be used in a way that will cause losses to you or us; or
- The Instructions involve a transfer or other transaction which would exceed the funds available for the transfer or transaction or any daily or other limit we may place on use of the Services.

If, for any reason, any of the Services are unavailable, we recommend that you take steps to carry out any transaction through alternative means.

4. Token ownership and replacement

The Token at all times remains the property of Rabobank and you agree to return it to us on:

- Request by us;
- Termination of your access to Rabobank Internet Banking;
- Closure of all of your accounts accessible by Rabobank Internet Banking;
- If you are authorised by another person or persons to use the Services, that person or those persons withdrawing your authorisation to use the Services; or
- The issue to you of a replacement Token.

We may disable a Token or your access to the Rabobank Mobile App (i.e. prevent it from being used to access Rabobank Internet Banking) for security or fraud prevention reasons including if we suspect that a person who is attempting to access Rabobank Internet Banking is not authorised to do so, to comply with our legal obligations or if required for compliance with our systems.

You must pay for the replacement of a Token at your request unless it expires. The Rabobank Internet Banking Token Replacement Fee is set out in the Fees Schedule which applies to the individual account affected by your use of the service. You may obtain a copy of the schedule at any branch.

After a period of time, Tokens must be replaced. We will issue you with a replacement Token at the appropriate time.

5. Accuracy of information

We take all reasonable steps to ensure that the information that we make available to you through Rabobank Internet Banking is correct and updated regularly at the intervals we specify from time to time. Subject to any warranties implied by law that cannot be excluded (for example, the statutory warranties that services will be rendered with due care and skill and will be fit for their purpose), we will not be liable for or in connection with any inaccuracy, errors or omissions in that information save for where caused by our fraud, negligence or wilful misconduct, or that of our employees, contractors or agents.

6. Checking account records

You should check your account records carefully and promptly report to us as soon as you become aware of any transactions that you think are in error or are transactions that you or anyone you have authorised to have access to your accounts using Rabobank Internet Banking did not authorise, or you become aware of any delays in processing your transactions.

7. What you should do if you think we have made a mistake

7.1 You should report errors, unauthorised use or any other problem (including if you want to query an entry on a statement) as soon as possible after you discover them. You can make reports by either:

- telephoning 1800 025 484; or
- advising any of our branches.

We may require you to confirm your report in writing.

7.2 If you have a query or complaint, please contact Rabobank by calling our Client Services Unit on 1800 632 113, or by contacting or visiting one of our branches. Further information about our dispute resolution processes can also be found in our Complaints Handling Brochure, available on our Website, our branches or by calling us.

8. Protecting your Username, PIN, Mobile Device, Token and Token Code

It is essential that you take all reasonable steps to protect the security of your Username, PIN, Mobile Device, Token and Token Code, including by:

- (a) Not keeping a written record of your Username or PIN. However, if you do keep a record of your Username or PIN, you must ensure that they are kept in secure places separate from each other and your Token, Mobile Device and anything which may identify you or your accounts.
- (b) Keeping your Token in a secure place separate from any record of your Username or PIN and anything which will identify you or your accounts. This also means that you must not give your Token to anyone else.
- (c) Ensuring that no one else knows your Username, PIN or Token Code or can access Rabobank Internet Banking using your Username, PIN, Mobile Device or Token Code.
- (d) Taking care when using the Services that no one can see you enter your Username, PIN, Mobile Device or Token Code.
- (e) Selecting a PIN that is not easily guessed and changing it reasonably frequently.
- (f) Not allowing any other person's biometric identifiers (including but not limited to fingerprints, facial recognition and voice recognition) to be stored on your Mobile Device, as this person may then be able to view, and make unauthorised transactions on, your accounts.

If at any time you suspect that:

- (i) You have lost your Token, Mobile Device or a record of your Username or PIN or they have been stolen;
- (ii) Someone else may know your Username, PIN or Token Code; or
- (iii) Someone may have accessed your Rabobank accounts without your authority,

you must immediately inform us by telephoning our Rabobank Internet Banking Info Line on 1800 640 442 in Australia, or if you are overseas +61 2 8115 2002. If you telephone us outside our normal office hours you may be asked to leave a message. You must give your full details when you leave a message so that we may act upon your instructions at the earliest opportunity.

If you do not follow the requirements of this clause, you may be responsible as set out in clause 10 for any losses which arise as a result of unauthorised access to Rabobank Internet Banking.

9. Confirmation of Payee

- 9.1 The purpose of the Confirmation of Payee service is to allow a person making a payment to confirm the account name of the BSB and account number the payment is being made to.
- 9.2 For a payment you make using a BSB and account number, it is your responsibility to ensure the BSB and account number you want to pay to is correct. The Confirmation of Payee Service may provide you with a view on the likelihood that the account name you enter matches the account. If the Confirmation of Payee Service response indicates that the details do not look right, you should check the account details with the intended recipient before proceeding with the payment.
- 9.3 You must not misuse the Confirmation of Payee Service, for example, by using it for a purpose other than the purpose described in this clause or in breach of these terms and conditions. We may limit, suspend or terminate your access to Services (including the use of the Confirmation of Payee Service) if we believe you are (or have been) misusing the Confirmation of Payee service or it is reasonably necessary to protect you or us from possible fraudulent activity, scams or other activities that might cause you or us to lose money.
- 9.4 We will ensure your Account Details are accurately recorded by us for the use of the Confirmation of Payee service.

- 9.5 You acknowledge that:
- Rabobank may use and disclose your Account Details in the Confirmation of Payee service; and
 - payers' financial institutions may use your Account Details for the purposes of the Confirmation of Payee service and prior to making payments to you.
- 9.6 You may opt-out of the Confirmation of Payee service in some circumstances. Please contact us on 1800 445 445.
- 9.7 Notwithstanding opt-out of the Confirmation of Payee service, you acknowledge that Rabobank may confirm, disclose, store and use your Account details through the Confirmation of Payee service to government agencies for the purposes of making a payment to you by government agencies.
- 9.8 You may provide alternative names to be recorded on your Account in some circumstances. Please contact us on 1800 445 445.

10. Liability for unauthorised transactions (other than BPAY Payments)

This clause sets out when you may be responsible for losses which occur as a result of unauthorised access to your accounts, or if you unreasonably delay notifying us of certain matters.

- (a) You will not be liable if you did not unreasonably delay to tell us that any of your Username, PIN, Mobile Device, Token or Token Code may have been misused, lost or stolen, or become known to someone else and any transactions were carried out without your knowledge or consent.
- (b) If you contribute to the unauthorised access because you fail to protect your Username, PIN, Mobile Device, Token or Token Code, including because you fail to comply with clause 8 of these Conditions of Use, then you are liable for any losses up to the least of:
- the total loss up to the time that we are told that your Token, Mobile Device or a record of your Username or PIN has been lost or stolen or someone else may know your Username, PIN or Token Code or that someone may have accessed your Rabobank accounts without your authority; or
 - the total of the amounts you could have withdrawn, paid or transferred from the account(s) accessible by you using Rabobank Internet Banking on each of the days that your Username, PIN, Mobile Device, Token or Token Code is used without your permission up to the end of the day we are told that your Token or a record of your Username or PIN has been lost or stolen or someone else may know your Username, PIN or Token Code or that someone may have accessed your Rabobank accounts without your authority; or
 - the total funds available on the account(s) accessible by you using Rabobank Internet Banking.
- (c) If you contribute to the unauthorised transaction(s) because you unreasonably delay to:
- tell us that any of your Username, PIN, Mobile Device, Token or Token Code may have been misused, lost or stolen; or
 - tell us that any of your Username, PIN or Token Code may have become known to someone else; or
 - tell us that someone may have accessed your Rabobank accounts without your authority;

then you are liable for any losses directly attributable to that delay. Your liability for these losses will not exceed the least of:

- the losses that could have been prevented between the time you became aware (or should have become aware) that your Token, Mobile Device or a record of your Username or PIN has been lost or stolen or someone else knows your Username, PIN, Mobile Device or Token Code or that someone may have accessed your Rabobank accounts without your authority, and the time we were told; or
- the total of the amounts you could have withdrawn, paid or transferred from the account(s) accessible by you using Rabobank Internet Banking on each of the days that your Username, PIN, Token or Token Code is used without your permission up to the end of the day we are told that your

Token or a record of your Username or PIN has been lost or stolen or someone else may know your Username, PIN or Token Code or that someone may have accessed your Rabobank accounts without your authority; or

- the total funds available on the account(s) accessible by you using Rabobank Internet Banking.
- (d) You are not liable for losses arising from unauthorised use that:
- occurs before you have received your Username, PIN or Token;
 - it is clear was not contributed to by you or any person you have authorised to have access to your accounts using Rabobank Internet Banking;
 - is caused by a forged, expired or cancelled Username, PIN, Token or Token Code;
 - is caused by the fraud, negligence or wilful default of us or our employees, contractors, agents', or employees of financial institutions or companies involved in networking arrangements with us; or
 - takes place after you tell us that any of your Username, PIN, Mobile Device, Token or Token Code have been misused, lost or stolen or may have become known by someone else.

11. Special Conditions of Use for the BPAY Scheme

This clause sets out additional special conditions that apply to your use of the BPAY Scheme.

- (a) You need to be registered with Rabobank Internet Banking in order to use BPAY. BPAY Payments may only be made from a Rabobank Account opened in Australia.
- (b) We are not able to accept an order to stop a BPAY Payment once you have instructed us to make that BPAY Payment.
- (c) To make a valid BPAY Payment you must give us the following information:
- the Biller's name and Biller Code;
 - the Customer Reference Number;
 - the account from which the payment is to be made;
 - the amount of the payment; and
 - the date for payment.
- We will then debit your account with the amount of that BPAY Payment.
- (d) Billers who participate in the BPAY Scheme have agreed that a BPAY Payment you make will be treated as received by the Biller to whom it is directed:
- on the date you make that BPAY Payment, if you tell us to make the BPAY Payment before our payment cut-off time on a Business Day; or
 - on the next Business Day, if you tell us to make a BPAY Payment after our payment cut-off time on a Business Day, or on a non Business Day.
- (e) Your BPAY Payment may take longer to be credited to a Biller if there is a non Business Day on the day after you tell us to make a BPAY Payment or if another participant in the BPAY Scheme does not comply with its obligations under the BPAY Scheme. While it is expected that any delay in processing a BPAY Payment for the reasons specified in this clause will not continue for longer than one Business Day, any such delay may continue for a longer period.
- (f) You acknowledge that we are not obliged to effect a BPAY Payment if you do not give us all of the above information in clause 11(c) above, or if any of the information you give us is inaccurate.
- (g) If we are advised that your BPAY Payment cannot be processed by a Biller, we will:
- Advise you of this;
 - Credit your account with the amount of the BPAY Payment; and
 - Take all reasonable steps to assist you in making the BPAY Payment as quickly as possible.
- (h) Your liability for unauthorised BPAY Payments is set out in clause 12 of these Conditions of Use. If you tell us that a BPAY Payment made from your account is unauthorised, you must first give

us your written consent addressed to the Biller who received that BPAY Payment, consenting to us obtaining from the Biller information about your account with that Biller or the BPAY Payment, including your customer reference number and such information as we reasonably require to investigate the BPAY Payment. If you do not give us that consent, the Biller may not be permitted under law to disclose to us the information we need to investigate or rectify that BPAY Payment.

- (i) You acknowledge that the receipt of a Biller of a mistaken or erroneous BPAY Payment does not or will not constitute under any circumstances part, or whole satisfaction of any underlying debt owed between you and that Biller.

12. Liability for mistaken payments, unauthorised transactions and fraud using the BPAY Scheme

- (a) We will attempt to make sure that your BPAY Payments are processed promptly by the participants in the BPAY Scheme, including those Billers to whom your BPAY Payments are to be made. You must promptly tell us if:
 - You become aware of any delays or mistakes in processing your BPAY Payments;
 - You did not authorise a BPAY Payment that has been made from your account; or
 - You think that you have been fraudulently induced to make a BPAY Payment.

We will attempt to rectify any such matters in relation to your BPAY Payments in the way described in this clause. However, except as set out in this clause, we will not be liable for any loss or damage you suffer as a result of using the BPAY Scheme, except to the extent caused by the fraud, negligence or wilful default of us or our employees, contractors or agents.

The longer the delay between when you tell us of the error and the date of your BPAY Payment, the more difficult it may be to perform the error correction. For example, we or your Biller may not have sufficient records or information available to us to investigate the error. If this is the case, you may need to demonstrate that an error has occurred, based on your own records, or liaise directly with the Biller to correct the error.

- (b) If a BPAY Payment is made to a person or for an amount, which is not in accordance with your instructions (if any), and your account was debited for the amount of that payment, we will credit that amount to your account. However, if you were responsible for a mistake resulting in that payment and we cannot recover the amount of that payment from the person who received it within 20 Business Days of us attempting to do so, you must pay us that amount.
- (c) If a BPAY Payment is made in accordance with a payment direction, which appeared to us to be from you or on your own behalf but for which you did not give authority, we will credit your account with the amount of the unauthorised payment. However, you must pay us the amount of that unauthorised payment if:
 - We cannot recover within 20 Business Days of us attempting to do so that amount from the person who received it, and
 - The payment was made as a result of a payment direction, which did not comply with our prescribed security procedures for such payment directions.
- (d) If a BPAY Payment is induced by the fraud of a person involved in the BPAY Scheme, then that person should refund you the amount of the fraud-induced BPAY Payment. However, if that person does not refund you the amount of the fraud-induced BPAY Payment, you must bear the loss unless some other person involved in the BPAY Scheme knew of the fraud or would have detected it with reasonable diligence, in which case that person must refund you the amount of the fraud-induced BPAY Payment.
- (e) If a BPAY Payment you have made falls within the type described in clause 12(c) and also clause 12(b) or 12(d), then we will apply the principles stated in clause 12(c).
- (f) If a BPAY Payment you have made falls within both the types described in clauses 12(b) and 12(d), then we will apply the principles stated in clause 12(d).

- (g) You are not liable for losses arising from unauthorised use that:
 - (i) occurs before you have received your Username, PIN or Token;
 - (ii) it is clear was not contributed to by you or any person you have authorised to have access to your accounts using Rabobank Internet Banking;
 - (iii) is caused by a forged, expired or cancelled Username, PIN, Token or Token Code;
 - (iv) is caused by the fraud, negligence or wilful default of us or our employees, contractors, agents, or employees of financial institutions or companies involved in networking arrangements with us; or
 - (v) takes place after you tell us that any of your Username, PIN, Mobile Device, Token or Token Code have been misused, lost or stolen or may have become known by someone else.

13. Fees and charges

We are entitled to impose fees and charges for your use of the Services. The fees applicable to use of Rabobank Internet Banking are set out in Rabobank's schedule of standard fees which apply to the individual accounts or products affected by your use of Rabobank Internet Banking. You may obtain a copy of these schedules at any branch. Any fees and charges imposed in accordance with this clause will be notified to you, and, unless any fee or charge is the subject of a dispute between you and us, may be debited, together with all government taxes and charges imposed on transactions made using Rabobank Internet Banking, to the account to which the fee or charge relates, or if that account has insufficient funds, to any other account held by you with us.

14. Changes to these Conditions of Use and notices

- 14.1 We can change terms and conditions at any time without your agreement where allowable under unfair contract terms for one or more of the following reasons:
 - to comply with any change or anticipated change in any relevant law, code, guidance, or general banking practice;
 - to reflect any decision, views or guidance of a court, ombudsman or regulator;
 - to reflect a change in technology, or of our systems or procedures;
 - to respond proportionately to changes in the cost of providing the account (including by changing or imposing new fees);
 - as a result of changed circumstances relating to the account (e.g. changes in technology, or to our systems procedures), including where it becomes impractical for us to continue without the change;
 - to address security issues; or
 - to correct errors or to make them simpler or clearer.
- 14.2 We may publish on the Rabobank Internet Banking site any such changes to these Conditions of Use, which you must read and accept as set out in Clause 18. The date appearing next to the words "current as at" will indicate when these Conditions of Use were last updated.
- 14.3 Where possible and subject to clause 14.5, if we believe a change is unfavourable to you, then we will give you prior notice of at least 30 days.
- 14.4 If you do not wish to continue your access to the Services as a result of a variation made under this clause 14, you may cancel your access in accordance with clause 3.
- 14.5 Our obligation to give you notice does not apply if variations are required by law or in an emergency to protect the integrity or security of our website, Rabobank Internet Banking or any account. In such cases, where practicable, we will give you notice of any permanent change as soon as possible after the change is made.

15. Privacy of information you provide to us using Rabobank Internet Banking (See also clause 16 for special conditions relating to Privacy of Information you provide to us using the BPAY Scheme)

We will handle the personal data we obtain and hold as set out in our Privacy Policy (available on our website or in hard copy upon request) and the Privacy Notice and Acknowledgment which formed part of the application process for your product. You acknowledge that we will collect, use, hold and disclose personal data in the manner we have set out, both at the time of application and ongoing during our relationship with you.

16. Privacy of information you provide to us using the BPAY Scheme

If you use the BPAY Scheme:

- (a) you agree to our disclosing to Billers nominated by you and if necessary the entity operating the BPAY Scheme (BPAY Pty Ltd) or any other participant in the BPAY Scheme and any agent appointed by any of them from time to time, including Cardlink Services Limited, that provides the electronic systems needed to implement the BPAY Scheme:
 - (i) such of your personal data (for example your name, email address and the fact that you are our customer) as is necessary to facilitate your registration for or use of the BPAY Scheme; and
 - (ii) such of your transactional information as is necessary to process your BPAY Payments. Your BPAY Payments information will be disclosed by BPAY Pty Ltd, through its agent, to the Biller's financial institution.
- (b) you must notify us, if any of your personal data changes and you consent to us disclosing your updated personal data to all other participants in the BPAY Scheme referred to in clause 16(a) above as necessary;
- (c) you can request access to your information held by us, BPAY Pty Ltd or its agent, Cardlink Services Limited at their contact details listed in the Glossary.

If your personal data detailed above is not disclosed to BPAY Pty Ltd or its agent, it will not be possible to process your requested BPAY Payment.

17. Severance

If any part of these Conditions of Use is illegal, invalid or unenforceable at law, the rest of these Conditions of Use are to be read so as to exclude any such part and will remain enforceable to their fullest extent.

18. Conditions of Use binding
