Please ensure you also read and understand the terms and conditions in full and not just the summary provided here.

Clause reference	Important Information
10	Limitation of liability – unauthorised access Please be aware that you may be responsible for losses that occur on your Account as a result of unauthorised access if you contribute to the unauthorised access or unreasonably delay notifying us of certain matters causing an unauthorised transaction(s). Please refer to clause 10 of these Conditions of Use.

Introduction

These Rabobank Internet Banking Conditions of Use contain the conditions of use which apply to your access to and use of Rabobank Internet Banking. Please read carefully through the Conditions of Use now. If you do not understand any part of them, please contact our staff via the Rabobank Internet Banking Info Line on 1800 640 442 in Australia, or if you are overseas on +61 2 8115 2002. It is important that you know your rights and obligations when accessing and using Rabobank Internet Banking.

In order to use Rabobank Internet Banking, you must agree to accept these Conditions of Use by clicking on the “Accept” button at the end of these Rabobank Internet Banking Conditions of Use (upon login). If you do not agree with any of these Conditions of Use, click on the “Decline” button (upon login). If you do that, you will not be able to proceed further into the Rabobank Internet Banking site and will not be able to access or use Rabobank Internet Banking.

These Conditions of Use form part of the terms and conditions relating to the account and should be read together with any other terms and conditions which apply to the individual accounts or products affected by your use of Rabobank Internet Banking (the product terms and conditions) and, if you have a Line of Credit, any Line of Credit Contract. Together these govern your access to and use of the Services. These Conditions of Use are to be read together with and, to the extent of any inconsistency, override the product terms and conditions in relation to Rabobank Internet Banking. To the extent of any inconsistency between these documents, these Conditions of Use will prevail.

Subject to clause 14 of these Conditions of Use, the Rabobank Internet Banking Conditions of Use published on the Website at any time represent the current Conditions of Use and replace any other Rabobank Internet Banking Conditions of Use published on the Website or issued in any other form prior to that date.

You should refer back to these Conditions of Use from time to time to ensure that you are aware of the basis upon which the Services are made available to you.

The meaning of important terms used in these Conditions of Use is set out in the Glossary in clause 19 of these Conditions of Use.

Conditions of Use

1. Application of Conditions of Use

We only allow you to access and use Rabobank Internet Banking and the Services in accordance with these Conditions of Use. All Instructions received are governed by these Conditions of Use and the terms and conditions of the accounts accessed using Rabobank Internet Banking.

We are a member of the BPAY® Scheme. The BPAY Scheme is an electronic payments scheme through which you can ask us to make a payment on your behalf to organisations (Billers) who tell you that you can make payments to them through the BPAY Scheme (BPAY Payments). The BPAY Scheme is only available in respect of Rabobank All in One Accounts and Cash Management Accounts opened in Australia.

We will tell you if we are no longer a member of the BPAY Scheme.

There are special conditions that apply to the use of the BPAY Scheme. These special conditions are contained in clauses 11, 12 and 16 of these Conditions of Use.

2. How we act on your instructions (See also clause 11 for additional special conditions that apply to BPAY Payments)

Until you notify us in accordance with these Conditions of Use that you think your Username, PIN, Mobile Device or Token has been compromised, or that you wish to terminate your access to the Services, we may act on any instructions received that are sent using your Username, PIN and Token Code or your Mobile Device and PIN (Instructions).

If you have authorised another person to have access to your accounts using Rabobank Internet Banking, until we are notified in accordance with these Conditions of Use that that person's Username, PIN, Mobile Device or Token has been compromised or that that person's access to Rabobank Internet Banking is terminated, you are also liable:

- for any Instructions we act upon that are sent using that person's Username, PIN and Token Code or your Mobile Device and PIN; and
- for any material breach of these Conditions of Use by that person, including if that person contributes to an unauthorised access to an account under clause 10 below.

If you authorise another person to have access to your accounts using Rabobank Internet Banking, that person will be able to access and transact on all of your accounts which are able to be accessed using Rabobank Internet Banking.

We will act on Instructions on the Business Day we receive them if those instructions are received by the relevant payment cut-off times; please refer to the Rabobank Internet Banking FAQ on our website or refer to the Rabobank Internet Banking online help for payment, transfer and interest rate booking cut-off times.

We may act on Instructions received after these times on the next Business Day. Instructions received on a day which is not a Business Day may be acted on by us on the next Business Day.

If we permit you to instruct us to carry out a transaction on a future date we will act on your Instructions on that date, unless that date is a day which is not a Business Day, in which case we will act on the Instructions on the next Business Day after that date. You must be careful to ensure that you tell us the correct amount you wish to pay.

If you request us to make a payment and after we have made that payment you determine you quoted an incorrect amount or recipient account, you agree to promptly inform us. We will use our best endeavors to assist you to rectify this.

If you have instructed us to carry out a transaction other than a BPAY Payment, and subsequently wish to revoke that Instruction, we will use our best endeavours to carry out your subsequent request.

For confirmation and security purposes, we may send you notifications by text message to the mobile phone number listed on your account when you give us certain instructions through Rabobank Internet Banking e.g. when you add or amend a payee, or when you make a one-off payment to a new payee.

3. When we may refuse to carry out a transaction, and suspension and termination of the Services

We may place daily or other limits on the amount or value of transactions we permit to be carried out using the Services. This may affect your ability to make a Payment using the Services. There is a default daily limit of \$300,000 across all accounts to which you have access when you use the Services via Rabobank Internet Banking on the Website, and a daily limit of \$25,000 across all accounts to which you have access when you use the Services via the Rabobank Mobile App. We may agree to change the daily limit if you request us to make a change.

We may from time to time, suspend or terminate your access to the Services for security or fraud prevention reasons, to protect the integrity or security of our website, to comply with our legal obligations, if you fail to comply with a material requirement of these Conditions of Use, for maintenance or for reasons beyond our control such as internet outages or material unexpected changes in the markets we operate in. We can do so without prior notice to you where there is a material and immediate risk, however where possible we will give you advance notice. During a period of suspension or termination of the Services, we may not be able to act on any Instructions received from you. You can contact us for information on options to re-instate your access.

We may impose any conditions or restrictions on your use of the Services if, in our reasonable opinion, you have transmitted content, including via any payment method (for example, text in payment descriptions), which is inappropriate, including content which:

- uses crude, disrespectful or insulting language;
- is discriminatory, defamatory or otherwise unlawful;
- threatens or promotes physical violence;
- threatens or promotes psychological violence or mental harm; or
- is intimidating, threatening, abusive or harassing in nature.

When, in Rabobank's reasonable opinion, there is a material and immediate risk, we can terminate access to the Services without prior notice to you. If Rabobank terminates access to the Services without prior notice to you, we will provide you with written notice as soon as reasonably possible after the action has been taken.

You may terminate your access to the Services, or that of any person authorised by you to use the Services, by giving us notice in writing. This notice is not effective until it is received by us and may be given by the Secure Message function of Rabobank Internet Banking.

We may refuse to carry out a transaction or act on Instructions if:

- You have informed us in writing that you wish to terminate access to the Services or if you are authorised by another person or persons to use the Services, that person or persons has withdrawn your authorisation to use the Services;
- You have informed us or we reasonably believe that your Username, PIN, Mobile Device or Token has been compromised or is being used or may be used in a way that will cause losses to you or us; or
- The Instructions involve a transfer or other transaction which would exceed the funds available for the transfer or transaction or any daily or other limit we may place on use of the Services.

If, for any reason, any of the Services are unavailable, we recommend that you take steps to carry out any transaction through alternative means.

4. Token ownership and replacement

The Token at all times remains the property of Rabobank and you agree to return it to us on:

- Request by us;
- Termination of your access to Rabobank Internet Banking;
- Closure of all of your accounts accessible by Rabobank Internet Banking;
- If you are authorised by another person or persons to use the Services, that person or those persons withdrawing your authorisation to use the Services; or
- The issue to you of a replacement Token.

We may disable a Token or your access to the Rabobank Mobile App (i.e. prevent it from being used to access Rabobank Internet Banking) for security or fraud prevention reasons including if we suspect that a person who is attempting to access Rabobank Internet Banking is not authorised to do so, to comply with our legal obligations or if required for compliance with our systems.

You must pay for the replacement of a Token at your request unless it expires. The Rabobank Internet Banking Token Replacement Fee is set out in the Fees Schedule which applies to the individual account affected by your use of the service. You may obtain a copy of the schedule at any branch.

After a period of time, Tokens must be replaced. We will issue you with a replacement Token at the appropriate time.

5. Accuracy of information

We take all reasonable steps to ensure that the information that we make available to you through Rabobank Internet Banking is correct and updated regularly at the intervals we specify from time to time. Subject to any warranties implied by law that cannot be excluded (for example, the statutory warranties that services will be rendered with due care and skill and will be fit for their purpose), we will not be liable for or in connection with any inaccuracy, errors or omissions in that information save for where caused by our fraud, negligence or wilful misconduct, or that of our employees, contractors or agents.

6. Checking account records

You should check your account records carefully and promptly report to us as soon as you become aware of any transactions that you think are in error or are transactions that you or anyone you have authorised to have access to your accounts using Rabobank Internet Banking did not authorise, or you become aware of any delays in processing your transactions.

7. What you should do if you think we have made a mistake

- 7.1 You should report errors, unauthorised use or any other problem (including if you want to query an entry on a statement) as soon as possible after you discover them. You can make reports by either:

- telephoning 1800 025 484; or
- advising any of our branches.

We may require you to confirm your report in writing.

- 7.2 If you have a query or complaint, please contact Rabobank by calling our Client Services Unit on 1800 632 113, or by contacting or visiting one of our branches. Further information about our dispute resolution processes can also be found in our Complaints Handling Brochure, available on our Website, our branches or by calling us.

8. Protecting your Username, PIN, Mobile Device, Token and Token Code

It is essential that you take all reasonable steps to protect the security of your Username, PIN, Mobile Device, Token and Token Code, including by:

- (a) Not keeping a written record of your Username or PIN. However, if you do keep a record of your Username or PIN, you must ensure that they are kept in secure places separate from each other and your Token, Mobile Device and anything which may identify you or your accounts.
- (b) Keeping your Token in a secure place separate from any record of your Username or PIN and anything which will identify you or your accounts. This also means that you must not give your Token to anyone else.
- (c) Ensuring that no one else knows your Username, PIN or Token Code or can access Rabobank Internet Banking using your Username, PIN, Mobile Device or Token Code.
- (d) Taking care when using the Services that no one can see you enter your Username, PIN, Mobile Device or Token Code.
- (e) Selecting a PIN that is not easily guessed and changing it reasonably frequently.
- (f) Not allowing any other person's biometric identifiers (including but not limited to fingerprints, facial recognition and voice recognition) to be stored on your Mobile Device, as this person may then be able to view, and make unauthorised transactions on, your accounts.

If at any time you suspect that:

- (i) You have lost your Token, Mobile Device or a record of your Username or PIN or they have been stolen;
- (ii) Someone else may know your Username, PIN or Token Code; or
- (iii) Someone may have accessed your Rabobank accounts without your authority,

you must immediately inform us by telephoning our Rabobank Internet Banking Info Line on 1800 640 442 in Australia, or if you are overseas +61 2 8115 2002. If you telephone us outside our normal office hours you may be asked to leave a message. You must give your full details when you leave a message so that we may act upon your instructions at the earliest opportunity.

If you do not follow the requirements of this clause, you may be responsible as set out in clause 10 for any losses which arise as a result of unauthorised access to Rabobank Internet Banking.

9. Confirmation of Payee

- 9.1 The purpose of the Confirmation of Payee service is to allow a person making a payment to confirm the account name of the BSB and account number the payment is being made to.
- 9.2 For a payment you make using a BSB and account number, it is your responsibility to ensure the BSB and account number you want to pay to is correct. The Confirmation of Payee Service may provide you with a view on the likelihood that the account name you enter matches the account. If the Confirmation of Payee Service response indicates that the details do not look right, you should check the account details with the intended recipient before proceeding with the payment.
- 9.3 You must not misuse the Confirmation of Payee Service, for example, by using it for a purpose other than the purpose described in this clause or in breach of these terms and conditions. We may limit, suspend or terminate your access to Services (including the use of the Confirmation of Payee Service) if we believe you are (or have been) misusing the Confirmation of Payee service or it is reasonably necessary to protect you or us from possible fraudulent activity, scams or other activities that might cause you or us to lose money.
- 9.4 We will ensure your Account Details are accurately recorded by us for the use of the Confirmation of Payee service.

9.5 You acknowledge that:

- Rabobank may use and disclose your Account Details in the Confirmation of Payee service; and
- payers' financial institutions may use your Account Details for the purposes of the Confirmation of Payee service and prior to making payments to you.

9.6 You may opt-out of the Confirmation of Payee service in some circumstances. Please contact us on 1800 445 445.

9.7 Notwithstanding opt-out of the Confirmation of Payee service, you acknowledge that Rabobank may confirm, disclose, store and use your Account details through the Confirmation of Payee service to government agencies for the purposes of making a payment to you by government agencies.

9.8 You may provide alternative names to be recorded on your Account in some circumstances. Please contact us on 1800 445 445.

10. Liability for unauthorised transactions (other than BPAY Payments)

This clause sets out when you may be responsible for losses which occur as a result of unauthorised access to your accounts, or if you unreasonably delay notifying us of certain matters.

- (a) You will not be liable if you did not unreasonably delay to tell us that any of your Username, PIN, Mobile Device, Token or Token Code may have been misused, lost or stolen, or become known to someone else and any transactions were carried out without your knowledge or consent.
- (b) If you contribute to the unauthorised access because you fail to protect your Username, PIN, Mobile Device, Token or Token Code, including because you fail to comply with clause 8 of these Conditions of Use, then you are liable for any losses up to the least of:
- the total loss up to the time that we are told that your Token, Mobile Device or a record of your Username or PIN has been lost or stolen or someone else may know your Username, PIN or Token Code or that someone may have accessed your Rabobank accounts without your authority; or
 - the total of the amounts you could have withdrawn, paid or transferred from the account(s) accessible by you using Rabobank Internet Banking on each of the days that your Username, PIN, Mobile Device, Token or Token Code is used without your permission up to the end of the day we are told that your Token or a record of your Username or PIN has been lost or stolen or someone else may know your Username, PIN or Token Code or that someone may have accessed your Rabobank accounts without your authority; or
 - the total funds available on the account(s) accessible by you using Rabobank Internet Banking.
- (c) If you contribute to the unauthorised transaction(s) because you unreasonably delay to:
- tell us that any of your Username, PIN, Mobile Device, Token or Token Code may have been misused, lost or stolen; or
 - tell us that any of your Username, PIN or Token Code may have become known to someone else; or
 - tell us that someone may have accessed your Rabobank accounts without your authority;

then you are liable for any losses directly attributable to that delay. Your liability for these losses will not exceed the least of:

- the losses that could have been prevented between the time you became aware (or should have become aware) that your Token, Mobile Device or a record of your Username or PIN has been lost or stolen or someone else knows your Username, PIN, Mobile Device or Token Code or that someone may have accessed your Rabobank accounts without your authority, and the time we were told; or
- the total of the amounts you could have withdrawn, paid or transferred from the account(s) accessible by you using Rabobank Internet Banking on each of the days that your Username, PIN, Token or Token Code is used without your permission up to the end of the day we are told that your

Token or a record of your Username or PIN has been lost or stolen or someone else may know your Username, PIN or Token Code or that someone may have accessed your Rabobank accounts without your authority; or

- the total funds available on the account(s) accessible by you using Rabobank Internet Banking.
- (d) You are not liable for losses arising from unauthorised use that:
- occurs before you have received your Username, PIN or Token;
 - it is clear was not contributed to by you or any person you have authorised to have access to your accounts using Rabobank Internet Banking;
 - is caused by a forged, expired or cancelled Username, PIN, Token or Token Code;
 - is caused by the fraud, negligence or wilful default of us or our employees, contractors, agents', or employees of financial institutions or companies involved in networking arrangements with us; or
 - takes place after you tell us that any of your Username, PIN, Mobile Device, Token or Token Code have been misused, lost or stolen or may have become known by someone else.

11. Special Conditions of Use for the BPAY Scheme

This clause sets out additional special conditions that apply to your use of the BPAY Scheme.

- (a) You need to be registered with Rabobank Internet Banking in order to use BPAY. BPAY Payments may only be made from a Rabobank Account opened in Australia.
- (b) We are not able to accept an order to stop a BPAY Payment once you have instructed us to make that BPAY Payment.
- (c) To make a valid BPAY Payment you must give us the following information:
- the Biller's name and Biller Code;
 - the Customer Reference Number;
 - the account from which the payment is to be made;
 - the amount of the payment; and
 - the date for payment.

We will then debit your account with the amount of that BPAY Payment.

- (d) Billers who participate in the BPAY Scheme have agreed that a BPAY Payment you make will be treated as received by the Biller to whom it is directed:
- on the date you make that BPAY Payment, if you tell us to make the BPAY Payment before our payment cut-off time on a Business Day; or
 - on the next Business Day, if you tell us to make a BPAY Payment after our payment cut-off time on a Business Day, or on a non Business Day.
- (e) Your BPAY Payment may take longer to be credited to a Biller if there is a non Business Day on the day after you tell us to make a BPAY Payment or if another participant in the BPAY Scheme does not comply with its obligations under the BPAY Scheme. While it is expected that any delay in processing a BPAY Payment for the reasons specified in this clause will not continue for longer than one Business Day, any such delay may continue for a longer period.
- (f) You acknowledge that we are not obliged to effect a BPAY Payment if you do not give us all of the above information in clause 11(c) above, or if any of the information you give us is inaccurate.
- (g) If we are advised that your BPAY Payment cannot be processed by a Biller, we will:
- Advise you of this;
 - Credit your account with the amount of the BPAY Payment; and
 - Take all reasonable steps to assist you in making the BPAY Payment as quickly as possible.
- (h) Your liability for unauthorised BPAY Payments is set out in clause 12 of these Conditions of Use. If you tell us that a BPAY Payment made from your account is unauthorised, you must first give

us your written consent addressed to the Biller who received that BPAY Payment, consenting to us obtaining from the Biller information about your account with that Biller or the BPAY Payment, including your customer reference number and such information as we reasonably require to investigate the BPAY Payment. If you do not give us that consent, the Biller may not be permitted under law to disclose to us the information we need to investigate or rectify that BPAY Payment.

- (i) You acknowledge that the receipt of a Biller of a mistaken or erroneous BPAY Payment does not or will not constitute under any circumstances part, or whole satisfaction of any underlying debt owed between you and that Biller.

12. Liability for mistaken payments, unauthorised transactions and fraud using the BPAY Scheme

- (a) We will attempt to make sure that your BPAY Payments are processed promptly by the participants in the BPAY Scheme, including those Billers to whom your BPAY Payments are to be made. You must promptly tell us if:
 - You become aware of any delays or mistakes in processing your BPAY Payments;
 - You did not authorise a BPAY Payment that has been made from your account; or
 - You think that you have been fraudulently induced to make a BPAY Payment.

We will attempt to rectify any such matters in relation to your BPAY Payments in the way described in this clause. However, except as set out in this clause, we will not be liable for any loss or damage you suffer as a result of using the BPAY Scheme, except to the extent caused by the fraud, negligence or wilful default of us or our employees, contractors or agents.

The longer the delay between when you tell us of the error and the date of your BPAY Payment, the more difficult it may be to perform the error correction. For example, we or your Biller may not have sufficient records or information available to us to investigate the error. If this is the case, you may need to demonstrate that an error has occurred, based on your own records, or liaise directly with the Biller to correct the error.

- (b) If a BPAY Payment is made to a person or for an amount, which is not in accordance with your instructions (if any), and your account was debited for the amount of that payment, we will credit that amount to your account. However, if you were responsible for a mistake resulting in that payment and we cannot recover the amount of that payment from the person who received it within 20 Business Days of us attempting to do so, you must pay us that amount.
- (c) If a BPAY Payment is made in accordance with a payment direction, which appeared to us to be from you or on your own behalf but for which you did not give authority, we will credit your account with the amount of the unauthorised payment. However, you must pay us the amount of that unauthorised payment if:
 - We cannot recover within 20 Business Days of us attempting to do so that amount from the person who received it, and
 - The payment was made as a result of a payment direction, which did not comply with our prescribed security procedures for such payment directions.
- (d) If a BPAY Payment is induced by the fraud of a person involved in the BPAY Scheme, then that person should refund you the amount of the fraud-induced BPAY Payment. However, if that person does not refund you the amount of the fraud-induced BPAY Payment, you must bear the loss unless some other person involved in the BPAY Scheme knew of the fraud or would have detected it with reasonable diligence, in which case that person must refund you the amount of the fraud-induced BPAY Payment.
- (e) If a BPAY Payment you have made falls within the type described in clause 12(c) and also clause 12(b) or 12(d), then we will apply the principles stated in clause 12(c).
- (f) If a BPAY Payment you have made falls within both the types described in clauses 12(b) and 12(d), then we will apply the principles stated in clause 12(d).

- (g) You are not liable for losses arising from unauthorised use that:
 - (i) occurs before you have received your Username, PIN or Token;
 - (ii) it is clear was not contributed to by you or any person you have authorised to have access to your accounts using Rabobank Internet Banking;
 - (iii) is caused by a forged, expired or cancelled Username, PIN, Token or Token Code;
 - (iv) is caused by the fraud, negligence or wilful default of us or our employees, contractors, agents, or employees of financial institutions or companies involved in networking arrangements with us; or
 - (v) takes place after you tell us that any of your Username, PIN, Mobile Device, Token or Token Code have been misused, lost or stolen or may have become known by someone else.

13. Fees and charges

We are entitled to impose fees and charges for your use of the Services. The fees applicable to use of Rabobank Internet Banking are set out in Rabobank's schedule of standard fees which apply to the individual accounts or products affected by your use of Rabobank Internet Banking. You may obtain a copy of these schedules at any branch. Any fees and charges imposed in accordance with this clause will be notified to you, and, unless any fee or charge is the subject of a dispute between you and us, may be debited, together with all government taxes and charges imposed on transactions made using Rabobank Internet Banking, to the account to which the fee or charge relates, or if that account has insufficient funds, to any other account held by you with us.

14. Changes to these Conditions of Use and notices

- 14.1 We can change terms and conditions at any time without your agreement where allowable under unfair contract terms for one or more of the following reasons:
 - to comply with any change or anticipated change in any relevant law, code, guidance, or general banking practice;
 - to reflect any decision, views or guidance of a court, ombudsman or regulator;
 - to reflect a change in technology, or of our systems or procedures;
 - to respond proportionately to changes in the cost of providing the account (including by changing or imposing new fees);
 - as a result of changed circumstances relating to the account (e.g. changes in technology, or to our systems procedures), including where it becomes impractical for us to continue without the change;
 - to address security issues; or
 - to correct errors or to make them simpler or clearer.
- 14.2 We may publish on the Rabobank Internet Banking site any such changes to these Conditions of Use, which you must read and accept as set out in Clause 18. The date appearing next to the words "current as at" will indicate when these Conditions of Use were last updated.
- 14.3 Where possible and subject to clause 14.5, if we believe a change is unfavourable to you, then we will give you prior notice of at least 30 days.
- 14.4 If you do not wish to continue your access to the Services as a result of a variation made under this clause 14, you may cancel your access in accordance with clause 3.
- 14.5 Our obligation to give you notice does not apply if variations are required by law or in an emergency to protect the integrity or security of our website, Rabobank Internet Banking or any account. In such cases, where practicable, we will give you notice of any permanent change as soon as possible after the change is made.

15. Privacy of information you provide to us using Rabobank Internet Banking (See also clause 16 for special conditions relating to Privacy of Information you provide to us using the BPAY Scheme)

We will handle the personal data we obtain and hold as set out in our Privacy Policy (available on our website or in hard copy upon request) and the Privacy Notice and Acknowledgment which formed part of the application process for your product. You acknowledge that we will collect, use, hold and disclose personal data in the manner we have set out, both at the time of application and ongoing during our relationship with you.

16. Privacy of information you provide to us using the BPAY Scheme

If you use the BPAY Scheme:

- (a) you agree to our disclosing to Billers nominated by you and if necessary the entity operating the BPAY Scheme (BPAY Pty Ltd) or any other participant in the BPAY Scheme and any agent appointed by any of them from time to time, including Cardlink Services Limited, that provides the electronic systems needed to implement the BPAY Scheme:
 - (i) such of your personal data (for example your name, email address and the fact that you are our customer) as is necessary to facilitate your registration for or use of the BPAY Scheme; and
 - (ii) such of your transactional information as is necessary to process your BPAY Payments. Your BPAY Payments information will be disclosed by BPAY Pty Ltd, through its agent, to the Biller's financial institution.
- (b) you must notify us, if any of your personal data changes and you consent to us disclosing your updated personal data to all other participants in the BPAY Scheme referred to in clause 16(a) above as necessary;
- (c) you can request access to your information held by us, BPAY Pty Ltd or its agent, Cardlink Services Limited at their contact details listed in the Glossary.

If your personal data detailed above is not disclosed to BPAY Pty Ltd or its agent, it will not be possible to process your requested BPAY Payment.

17. Severance

If any part of these Conditions of Use is illegal, invalid or unenforceable at law, the rest of these Conditions of Use are to be read so as to exclude any such part and will remain enforceable to their fullest extent.

18. Conditions of Use binding
